PAWS DART / YOUNG ANIMAL HEROES

30-Minute Meeting Plan

For Cub Scout packs, Girl Scout troops, and youth groups

Before the meeting

Print workbook Activity 6 for each Scout. Bring pencils and a few clean kit items or pictures, such as a bowl, leash, and toy. Use a stuffed animal for demonstrations.

5 MIN

Start the conversation

Ask what a pet needs if a family has to leave home quickly.

10 MIN

Try Activity 6

Have younger Scouts point to or draw items. Ask older Scouts to explain their choices.

10 MIN

Pack a practice kit

Work in small groups. Compare what you would pack for a dog, a cat, or another pet.

5 MIN

Take it home

Hand out the Quick Family Pet Emergency Plan. Ask each Scout to choose one thing to check at home.

Leader reminders

Adults should supervise animal-related activities. Verify badge or Adventure requirements with your organization.
